

Face2Face

and then, date

All about me

From care work to data scientist

Working as professional carer during 5 years teaches me how to be patience and get one of the important skills that is have the control of the situation when it is my work

Communicative person

I feel very comfortable speaking in public and I believe that communication is one of the best skills that human beings can have.

Goals

I have always liked the idea of having my own company, I have a great passion for programming and this application would give me the opportunity to make the leap in the world of apps.
